# Caloundra

---

Caloundra is an absolute hidden gem, yet to be fully discovered on the wedding scene.

Caloundra is located in the southern part of Sunshine Coast, Queensland Australia. A 30 min drive from the Sunshine Coast airport and an hour drive from the Brisbane airport. This beautiful beachside town situated on the Pumicestone Passage offers breathtaking views of the Glasshouse Mountains, tidal rock pools, white sandy beaches, scenic coastal pathways, thriving coffee, craft beer and market scene, excellent accommodation venues and many sight-seeing opportunities.

Sunshine Coast Pop Up Weddings have three locations in Caloundra we love:

- **Sir Leslie Wilson Park, Dicky Beach Caloundra**

This beachside ceremony location is situated on a secluded grassed headland in Dicky Beach and overlooks gorgeous tidal rock pools, white sandy beaches and rolling waves. With earthy vibes and the Moffat Headland backdrop its completely beachside boho. This location has moderate parking, moderate beach access and amenities are a short drive away.

- **Clarke Place Park, Happy Valley Caloundra**

Set in beautifully landscaped Caloundra parklands, Happy Valley is popular for its green grass spaces overlooking the rolling waves and sandy beaches with views of Bribie Island and distant Glasshouse Mountains. If you want the best of parklands and with the ocean in the background then this location is for you. This location has easy beach access for guests (though tidal), amenities and moderate parking.

- **Shelly Beach Picnic Area, Shelly Beach Caloundra**

The ceremony location at Shelly Beach Picnic Area is situated between two statement pine trees on a grassed area at the end of the parklands overlooking stunning tidal rock pools, white sandy beaches and rolling waves. This location has a hidden gem with a unique pumice stone cliff face making the ultimate photo opportunity. There is generous parking, moderate beach access and amenities are close by.

Whether it's everyone you love by your side overlooking the beach during sunset or an intimate ceremony made just for two, Sunshine Coast Pop Up Weddings has the wedding package to bring your ideal Caloundra wedding to life.
